

Dear IGO members, friends, and supporters:

The Igorot Global Organization is pleased to announce the publication of "Igorot by Heart". The book will be launched in conjunction with the 9th Igorot International Consultation to be held on April 12-14, 2012 in Baguio City, Philippines. "Igorot by Heart" is the first collection of keynote speeches and presentations from eight Igorot International Consultations (IICs) organized by the Igorot Global Organization (IGO) and held between 1995 to 2010. The book includes speeches and presentations by Albert S. Bacdayan, Richard Stone B. Pooten, Kate Chollipas Botengan, Francisco F. Claver, Minerva Chaloping-March, Alexander Arsay Wandag, Sr., Patricia O. Afable, Deana Weibel and Mark Sabas Leo.

The IGO is now accepting orders at the pre- publication price of Php 250.00. We invite you to join the special effort to sponsor some copies that will go to schools, libraries, museums and other public reading places. You can sponsor as many books as you want. You can also specify which schools or agencies the books will go to. Better yet, let us identify schools that still need copies to reach the goal of at least one book for every tertiary and secondary school in the Cordillera. Any net proceed from the sale of the book will go to the Igorot Scholarship Program (ISP), an IGO program that helps students afford the cost of a college education.
